GAME CHANGER

We are really proud to bring to you this game changing wine gadget. Coravin is a way to get wine out of your bottle – without uncorking it. The mechanism is a medical-grade needle that pierces a cork, pumps wine – a taste, a glass or more – out of a bottle, and replaces the space with the inert, heavy gas argon. When the needle is withdrawn, the cork's natural elasticity closes up the hole. Presto: the wine is still sealed with its original cork. Until the next time you want a taste. You can now start tasting these premium bottles without having to buy a bottle. All wines with the (C) symbol are the wines poured by Coravin.

**Please ask our Sommelier about
the premium wines by the glass. Sante!**

Alex Head – HEAD Wines Winemaker – is one of the younger generation winemakers making their mark in the Barossa Valley who focuses on single site Rhone varietals. Each HEAD wine shows elegance, freshness, clarity and a great balance in the mouth and are inspirationally drawn from his passion for Northern Rhone wines.

“When I started out in the wine industry, I quickly fell in love with shiraz from the Barossa Valley, South Australia. However, it was the discovery of shiraz from Côte Rotie in France’s Rhone Valley that would ultimately give me the inspiration to work as a winemaker.”

SPARKLING WINES

VINTAGE		GLS	BTL
2017	Pete's Pure Prosecco Sunraysia, NSW	7	30

Pete's Pure is meant to be consumed fresh and young – drinkability and simplicity. But the real star here is sunshine; hailing from Euston in New South Wales, from an area known for volume, the clear skies and red earth produce clean, bright flavours. This abundance of sun makes growing grapes stress-free. Picked early with minimal winemaking artefact to keep things crisp, this wine is relaxed, clean and charming.

COCKTAILS

12

Moulin Rouge

24

Hennessy VSOP Cognac stirred with Seppeltsfeld 10 yo Para Tawny and Carpano Antica Formula sweet vermouth with a drop of orange bitters, strained into a coupe, garnished with a flamed orange peel. A provoking burlesque drink.

La Tonique Spritz

20

Maidenii La Tonique 2017 is a beautiful unfiltered citrusy dry vermouth, made in Central Victoria, infused with Cinchona bark. With our Pete's Pure Prosecco, Cointreau and Max's dehydrated grapefruit wheel, you get a refreshing joyous spritz to enjoy anytime of the day!

Mint Julep

20

Juleps are often associated with Derby day where gallons of Bourbon are sipped; luckily you don't have to travel to Churchill Downs to enjoy one. Here, we make you the classiest of Mint Juleps; two shots of Maker's Mark, mint, sugar and crushed iced, served in a proper Julep Cup. It's mint.

Paloma

24

This is Tequila wearing a pastel pink dress in a summer dream. Two shots of Artemom Bianco, grapefruit juice, Agave nectar and dash of soda served on ice and a grapefruit wedge. Zippy!

The Exec Somm Martini

20

The martini that comes on the rocks! A mix of Melbourne gin, Animus with the Escubac aperitif, which is an interesting concoction of botanicals without the juniper. The two together makes for an easy drinking martini, offering a fleshy drink with a citrus tang. Cleansing. Sommelier's choice!
