TASMANIA

The cool climate region that is quickly becoming one of the “hottest” wine regions in the world.

It’s the sum of all parts that are putting Tassie wines on the world map; the long Autumn days and mild Summers with low rainfall give the grapes the advantage of ripening to full flavours with low alcohol and keeping freshness with crisp acidity. Add to that some of Australia’s most celebrated winemakers are settling down there; Jim Chatto, Samantha Connew, Peter Dredge and the investment from Shaw+Smith to just name a few, you have everything you need to make world class wines. Sparkling, Riesling, Chardonnay and Pinot Noir benefit best from these conditions and are what we are showcasing at the Crafers during this featured period.

Please enjoy some of the best Tasmania has to offer.
