## CHARDONNAY

We love Chardonnay at the Crafers, who doesn't?

Whilst we all love to drink Burgundy when we can, it's the Chardonnay coming from our own backyard that has us very excited...

The level of Australian Chardonnay is at an all-time high at the moment, and the Adelaide Hills is a leader in this movement. Currently we see restrained, complex wines with great balance of bright fruit and fantastic length.

The wines from the Hills, Piccadilly Valley and Lenswood in particular with their cooler climate help make more elegant, textured and lean but which have the acid structure to age and evolve. An exciting time for winemakers and consumers alike and we are thrilled to be showcasing some of the best the Adelaide Hills have to offer, alongside our collection of great White Burgundy. Win, win!

*Try ALL the feature wines for \$30,  
4 x 30mL tasting flights.*

— GLASS SELECTIONS —

Whilst many admire our Wine Room, it has taken several years to curate, and what lies beneath the Hotel in our cellar is where this dedication grows.

The wine collection at the Crafers Hotel is a labor of love and something we are very proud to share. From this extensive cellar we have ready made, aged options available to you by the glass, pouring via the Coravin system to maintain freshness.

It is with great pleasure we share these lovely aged wines with you, enjoy!
