## SHIRAZ

The noble Shiraz grape is the most planted variety in Australia and grown across more regions than any other varietal; the importance to the Australian wine industry cannot be overstated.

On the world wine scene, Australia is reknown for Shiraz (Syrah); and with great expectations, comes great responsibilities from producers.

Over the years the style of Australian Shiraz has evolved with more emphasis on the terroir and with less oak and more restraint.

We are thoroughly enjoying this renaissance in our country, and the enthusiasm from the winemakers and customers world wide.

*Try ALL the FEATURE wines for \$30,  
4 x 30mL tasting flights.*
