THE CRAFERS HOTEL

EST 1839

Welcome to The Crafers Hotel, situated in the beautiful Adelaide Hills.

First opened just three years after the proclamation of South Australia in 1839, this historic pub has come a long way from its early days as way-stop on the road through the Hills and a hideout for Tiersmen, runaway convicts from the Eastern States. The Crafers Hotel's modern renovation as a premium gastro-pub with a world class wine offering is the culmination of the owners vision of creating a non-pretentious space to enjoy great food with friends and the best wines the world has to offer, within responsible walking distance of his home.

The Crafers Hotel is delighted to offer you our expanded wine list.

Our collection, built up over the better part of a decade features a world class selection of wines from the New World and Old. The Crafers wine list has a strong focus on the wines of South Australia and France, with a special emphasis on our home in the Adelaide Hills and the wines of Burgundy whose climatic conditions and key grape varieties we share most closely. The list strives for balance and variety with the pursuit of synergy with the French accented food of the Crafers Hotel always front of mind.

A large wine list can be a little intimidating. If you feel like too much choice is confronting or you'd just like to take on a little new information, skip to the varied feature pages within this list. Listed in **BOLD** font in the contents, these features help showcase some of the key varieties that make the wine world go around, as well as celebrate iconic producers and wine styles.

The Sommelier Feature Pours change regularly, please ask or visit the wine room to see what may be available beyond the written list. These limited pours allow us to showcase rarities and wine unicorns, some of which we may only have a bottle or two available for the year. Everyone deserves access to icons!

The list in your hands presents a current working selection of from the Crafers Hotel wine room and cellar. Although this list is expansive it is not exhaustive. Yet more wines lie resting in the cellar beneath you awaiting their moment to shine!

We encourage you to speak to our staff and Sommelier about what you're looking for, or ask them what they're enjoying at the moment. Above all, feel welcome to go browse the selection on display in the Wine Room. Our wine team is always happy to help you.

We do hope you enjoy exploring our wine list and that you find the perfect wine to pair with your meal. Wine is about creating unforgettable experiences and turning any occasion into a special one.

FEATURE POURS

GLS

2023 Rippon Mature Vine Riesling
Riesling Central Otago, NZ 150mL / 35

A gorgeous wine from beautiful surroundings, the immaculately curated vineyards sandwiched between Lake Wanaka & the surrounding mountains. Layers of florals on the nose, jasmine and orange blossom leading, with a complex palate of preserved citrus and baking spices. A stunning balance of acidity and natural sweetness gives impeccable poise on the palate.

2024 Jean-Marc Burgaud Morgon Côte du Py
Gamay Beaujolais, FRA 150mL / 25

A world away from the forgettable 'Noveau' wines that convinced the world that Gamay is a basic varietal. Morgon produces some of the most age worthy and dynamic wines from Beaujolais, with the most revered site being Côte du Py. Structure, power, spice & deep, dark, brooding fruits. All this for an incredible price! Yum!

2024 Pare Wines Trott Family Vineyard
Grenache Blewitt Springs, SA 150mL / 30

The rise and rise of Grenache in South Australia has seen an almost Burgundian reverence given to some of the great vineyards. About time too. Pare wines aims to showcase the great sites, with only the lightest touch of winemaking to allow the vineyard expression to truly shine. The Trott vineyard has produced some of the most accoladed Grenache wines in Australian history, as well as making front page news with its recent acquisition by Wirra Wirra. Here you can appreciate the power, alluring perfume, delicious raspberry fruit & layers of spice that are the hallmark of these near 75 year old vines.

2023 Laurent Roumier Hauts-Côtes-De-Nuits
Pinot Noir Burgundy, FRA 150mL / 65 | 75mL / 35

Majority de-stemmed, fermented in concrete and aged in largely old oak. This is a red Burgundy that showcases pure fruit expression! Beautifully perfumed with layers of violets & freshly tilled earth that leads into an elegant palate of wild berries & cottage garden herbs. Alluring and expressive Pinot Noir, this is why we drink Burgundy!

MV Sami Odi Little Wine #15
Syrah Barossa Valley, SA 150mL / 50

The modern face of Barossa Shiraz, with a cult following! Allocations of these wines are tiny and have a tens of thousands strong wait list. Winemaker/owner Fraser McKinley has said that if you're not already on the wait list, you're not going to get any wine in this lifetime! A multi-vintage assemblage of wines spanning the past decade, drawn from the renowned Hoffmann Dalwitz vineyard in Ebenezer. Allow some time for this to open up in the glass, the layers of flavours will reward your patience! Savoury, nuanced, concentrated. It's everything you love about Shiraz, with restraint & power hand in hand.

2020 Kaesler Old Vine
Shiraz Barossa Valley, SA 150mL / 35

The classic Australian Shiraz experience (why not compare classic vs new wave with the Sami Odi above?), blending three of Kaesler's ancestor and old vine sites. Regenerative viticulture is key to Kaesler (Nigel Van Zant was awarded viticulturist of the year for the Barossa in 2026). Un-tilled earth layered with native vegetation between the vines provides a microcosm of life that energises the earth and provides the love and care that will carry these vines forward to the next generation of custodians. Plush, ripe & spicy, classic plums & berry compote with an elegant purity.

**Please note feature Coravin pours are often very limited, sometimes just a single bottle. Check with staff as to availability*

AUTUMN

SEASONAL FEATURE

COLOURS OF AUTUMN

The Adelaide Hills is home to some of the most spectacular plants of deciduous trees in South Australia. The early western settlers bringing plants that reminded them of their homeland, flourishing in the cool climate of the Adelaide Hills (hence why grapes for wine grow so well here!). The adjacent Mount Lofty Botanic Gardens are a must visit at this time of year, make sure to add to your to-do list if its not already there!

To celebrate this season of change in the Hills, we're showcasing a selection of wines that exhibit all the colours of Autumn.

White wines are not always white! Some common whites like Pinot Gris are made from red grapes, so some colour from the skins may stain the finished wine. Other whites may spend time on their skins when winemaking techniques usually reserved for reds are used, creating shades of amber in the glass. Wines matured in oak draw colour along with tannin and flavour from their aging. Likewise a red wine may be a bright translucent pink through to a deep ochre red. With age turning wines to shades of brick and even brown.

As the leaves of our trees change through the season, you'll find a wine here to echo each shade. Enjoy a curated flight to experience the colours of autumn right in the glasses in front of you.

RESPONSIBLE OPTIONS

Enjoying yourself responsibly is essential. At times you may wish or need to consume no alcohol at all. There is a hugely growing market of alcohol free adult beverages to support wise drinking choices.

We have a large range of alcohol free beers, as well as an ever rotating list of delicious mocktails, please ask our staff for recommendations on their favourites which may match your palate.

Our list of alcohol free wines remains limited, as we select only wines that we can recommend with confidence as wine enthusiasts.

As far as wine goes, so much of the aroma is carried to your senses by the volatility of alcohol. When this ingredient is removed, the magic of the wines aroma is removed with it. This also affects the feeling of weight in the palate. Where a non-alcoholic beer can make up for some of this with sweet malts and layers of dry hopping, wine cannot, and in most ends up tasting less than satisfactory. Only a select few pass our test currently, we continuously add new options as they become available.

TAPANAPPA

LOCAL HERO

The word icon is thrown around liberally, however there's no one more deserving of the title in the Adelaide Hills wine world as Brian Croser.

Responsible for establishing the modern age of Adelaide Hills winemaking, Brian planted the Tiers Vineyard in the Piccadilly Valley in 1979, also the site of his current home. This was the first Adelaide Hills site to be planted in a generation, the original hills foray of wine growing having largely gone bankrupt in the early 1900s, the lands reverting to livestock, fruit and vegetable farming.

A visionary who strongly believes in finding the perfect site for each grape, rather than trying to achieve many things in one place. The Piccadilly Valley in the Adelaide Hills is perfect for Chardonnay. Bucking the trend, Pinot Noir is not grown in the hills, instead at a unique site on the Southern Fleurieu. Whilst the fossil rich limestone of Wrattenbully is the perfect space for classic Australian 'Claret' blends. Distinguished, unique sites with wines to match.

A long time friend and regular guest of the Crafers Hotel, we were delighted to see Brian inducted into the Halliday Wine Companion Hall of Fame in 2025. Deserved recognition for a lifetime spent driving the recognition of premium Australian wine forward.

'Ode to Claret'

*Claret is a word of wine history's tableaux,
 Of the English wine merchants' lexicon plain,
 Describing the translucent red wines of Bordeaux
 When Bordeaux was English and the queen was Eleanor of Aquitaine.
 Today it is almost a forgotten name,
 But it still describes aptly the red wines of grace,
 Distinct from the muddy opaque new wines all the same,
 Claret says aromatic, fresh, full of intrigue and vim,
 For Keates, "blushful Hippocrene"
 With beaded bubbles winking at the brim".
 For Tapanappa the spice of life and Cabernet supreme.
 The venerable Whalebone stamps its authority,
 As a claret of finesse and typicity,
 In the moment joyful with varietal and site clarity,
 In future ages still fresh with fine claret complexity.*

SHAW + SMITH & CO

LOCAL HERO

Established by cousins Michael Hill Smith MW and Martin Shaw in 1989, Shaw + Smith is synonymous with premium wine and the Adelaide Hills.

What wine list could get by without the iconic Sauvignon Blanc? James Halliday has in the past publicly named it as Australia's best Sauvignon Blanc, and the public tends to agree. It has become the benchmark for others to follow.

There is far more than Sauvignon Blanc here, wonderful single vineyard expressions of their key grape varieties Chardonnay, Pinot Noir and Shiraz showcase the elegance and purity of their sites and careful winemaking.

A vision for the future and remarkable sites has seen the team behind Shaw + Smith expand into other regions, and other grapes.

The acquisition of the well established Tolpuddle vineyard in Tasmania, with the first release under control of the Shaw + Smith team in 2012 raised the bar to new heights for premium Chardonnay and Pinot Noir. Now considered amongst Australia's best.

Most recently the team have moved into the fine sandy soils of Blewitt Spings, the dress circle of McLaren Vale. With vines planted as early as 1939 now carefully managed and regenerated by the venerated team behind S+S the initial releases of MMAD Vineyard have been nothing short of spectacular.

Prestigious single sites, exceptional viticulture and winemaking.
Far more than just Sauvignon Blanc!

CHARDONNAY

WHITE

Chardonnay finds a natural home at the Crafers Hotel.

The quality and finesse of White Burgundy sets a benchmark for the Chardonnays of the Adelaide Hills, in response the winemakers of the region have set a high standard for themselves and are producing exciting wines of ever increasing quality.

The Australian chardonnay styles of the past have been superseded by wines of restraint, elegance and complexity with great balance of bright fruit and fantastic length. The wines from the Adelaide Hills, Piccadilly Valley and Lenswood in particular, with their cooler climate, help make more elegant, textured and lean wines with the acid structure to age and evolve.

It's an exciting time for winemakers and consumers alike and we are thrilled to be showcasing some of the best the Adelaide Hills have to offer, alongside our collection of great White Burgundy, featuring chardonnay masters, Lafon, Leflaive and Ente.

BASKET RANGE

WINE REVOLUTION

Lofi, low intervention, natural winemaking. These are common terms on any modern wine list. In the early part of this century one small community in the Adelaide Hills collectively brought attention to boundary pushing wines with all these buzzwords for a new generation of drinkers.

In the tiny region of Basket Range names like Brendan Keys (BK Wines), Gareth & Rainbo Belton (Gentle Folk) and the late great Taras Ochota (Ochota Barrels) amongst a community of other like minds stepped into the focus of wine lovers' by doing less. Less intervention, minimal additions, pure expressions of site and creativity.

We proudly support our local revolutionaries and encourage you to do the same.

Viva la revolución.

GAMAY

How times have changed! Gamay has had a troubled history being taken seriously. The 1395 decree by the Duke of Burgundy, Phillippe the Bold to ban the grape of peasants from Burgundy undoubtedly cast a shadow over any prestige being associated with Gamay. Then came and went the excitement over Beaujolais Nouveau, markets flooded with cheap and incredibly simple wines that were designed to celebrate the new season. Tarré with a brush of being cheap, simple and not worthy of being grown on the great sites.

Now, enter the ever spiraling trajectory of Burgundy prices, the public starts to see what many have known for decades. Gamay is some of the best value wines to come out of France. The great Crus of Beaujolais are as varied and dynamic as their Burgundian counterparts. The power of Morgon and Moulin-à-Vent gifts us wines that evolve with age as well as any noble varietal. Whilst village level wines present joyous drinkability immediately on release.

In Australia Gamay is breathing new life into many regions. Pioneering vineyards in Victoria have had a rabid following for years. In the hugely varied sites across the Adelaide Hills, many sites struggle to grow quality Pinot Noir as temperatures rise. Gamay thrives in many such locations, for those with the patience to control its vigour. The rapid growth of the varietal locally has seen the Adelaide Hills Wine Show be the first in the country to have an award category specifically for Gamay.

PINOT NOIR

RED

No other grape has quite an effect as Pinot Noir. Take for example the lifelong drinker of Shiraz; addicted to big fruit, big oak and big tannin, they experience a 'Road to Damascus' epiphany after being convinced to try a pale, insipid looking red wine called Burgundy. Suddenly, they eschew all other varietals and preach 'Pinot Noir!' with all the earnest zeal of convert. The penny has dropped, they are seduced by beautiful lifted perfume built over the delicate architecture of acid and soft, silky tannins. And no grape achieves this better than Pinot Noir.

Pinot Noir thrives in cooler sites and the higher altitude vineyards in the Adelaide Hills produce some of the finest examples of the region. On our list you will find the wines of Stephen George, the visionary pioneer of Ashton Hills, our highest altitude vines at Whisson Lake or you can explore the new wave of Adelaide Hills Pinot Noir with BK Wines and Gentle Folk.

Further afield in the cool south of Tasmania we find Tolpuddle in the Coal Valley, a vineyard planted with Pinot Noir in the 1980's has been given a new lease of life by Shaw & Smith. In Geelong, By Farr demonstrates a serious multigenerational commitment to Pinot Noir. Yarra Yering, under the stewardship of Sarah Crowe sets the benchmark for complex cool climate Pinot Noir of the Yarra Valley and Australia.

And at the centre of it all there is Burgundy. A special place, where soil, climate and time and have combined to give us a wine that is so much more than the sum of its parts. From the great names to tiny producers, from Marsannay to Chambolle and beyond, through our collection in this section of the wine book we aim to offer an example of the the depth and breadth of styles and expression of site that Burgundy offers. All the major sites are here, DRC La Tâche, Rousseau Chambertin and Roumier Bonnes Mares.

GRENACHE

RED

The early Vignerons of Australia treated Grenache as a grape mainly for use in fortified wine production and as something to be blended away with Shiraz to produce what until the 1990's was known as 'Burgundy'. Although EU law put an end to naming wine styles after French AC regions, Grenache gained increasing consumer awareness as a component in GSM blends. Over time producers have presented increasingly more examples of Grenache that speak of place, region and subregion. The versatility of this grape is shown off in both the powerful styles of the Barossa Valley and McLaren Vale and the delicately perfumed sub-regional styles of Blewitt Springs and Vine Vale.

The Grenache vines of South Australia are themselves unique; old vine custodian Marco Cirillo's 1856 vines are the oldest producing grape vines in the world. Grenache producers such as the late Pete Fraser of Yangarra Wines and Adam Wadewitz at MMAD Wines have planted their petard and signalled where the future and potential of Grenache is heading with beautifully balanced and structured wines that talk of site.

And of course, Grenache is one of the 13 noble varieties of the Rhone, the pinnacle of expression of which is exemplified by the blended wines of Châteauneuf du Pape and the Côtes du Rhône. Here we showcase producers we consider to be benchmark examples of the Rhône such as Château Rayas, Henri Bonneau and Château des Tours.

In a way, for Australian palates, Grenache has always been there, but now its expression is through a more tightly focussed lens as a varietal of great potential in its own right.

Winning Australia's Winery of the Year is a big thing. Winning it multiple times in the same decade is something else entirely.

Yarra Yering was named Australia's Winery of the Year by the highly respected Real Review in 2026, 2024 and 2021, as well as Winery of the Year by the Halliday Wine Companion in 2022.

Dr. Bailey Carrodus established Yarra Yering in 1969, re-establishing the Yarra Valley as a great Victorian wine region. The original blends he created, inspired by the great regions of the old world continue to astonish wine lovers under the eye of current head winemaker Sarah Crowe. Sarah herself was awarded Australian Winemaker of the Year by both the Halliday Wine Companion (2017) and Gourmet Traveller Wine Magazine (2021).

The Crafers Hotel has a unique relationship with Yarra Yering. As such our cellar proudly curates the largest collection of Yarra Yering wines in an Australian venue, with some incredibly rare and venerable wines available for you to enjoy.

CABERNET & CO

RED

The king of red grapes, Cabernet Sauvignon is the most widely grown wine varietal in the world. From the Left bank in Bordeaux and The Napa Valley in California to Margaret River in Western Australia and the hallowed Terra Rossa soil of Coonawarra, Cabernet is at its best in these westerly facing maritime climates.

The rise in perception of Shiraz over the last 30 years as the defining and predominate style of Australian red wine saw Cabernet relegated from top spot in the eyes of many consumers and wine critics. However, despite fashion, the true believers have persevered and as fashion swings it's fickle way a new generation of Australian consumers are discovering for themselves the power, poise and pedigree of this once and future pre-eminent style.

When we look at the names of some of the producers represented in this section of the Crafers Hotel's Big Book of Wine we see a veritable list of the who's who of wine producers in the world. Names such as Margaux and Lafite, Cullen, Wynns, Yarra Yering, Tapanappa and Opus One attest to the prestige of this noble style.

The structure of Cabernet gives itself to blending, especially with other Bordeaux varietals such as Merlot and Malbec, and along with artifact and the hand of the winemaker, forms beautifully structured wines with an array of dark berry fruits and tannins with incredible potential for ageing. We invite you to rediscover Cabernet.

Shiraz. Is there a more uniquely Australian expression of a grape varietal? Shiraz has indisputably found a home in the soils of the wine regions of Australia. Known as Syrah everywhere else in the world, dry statistics tell us that Shiraz the most planted grape in Australia and represents a quarter of our national wine production. It pays the bills, and its expression has largely defined Australian winemaking of the last half century.

However, it was Barossa Shiraz that caught the eye of Robert Parker Jr, and it was his judgements that catapulted high quality Barossa Shiraz, and in turn high quality Australian wine, onto the world scene. It proved that the quality of the vine materials and the skills of the winemaking were of an extremely high standard; our 'Sunshine in a Bottle' phase was over. However, in some quarters of the Valley it triggered a decade long frenzy of high alcohol, high sugar one-hundred pointers which enabled Barossa winemakers to charge eye-watering prices for the fruits of their ancient vines and labours.

Happily, not all wineries were seduced by the siren of Wine Spectator. Many producers lashed themselves to the mast and held their course; Wineries such as Wendouree in Clare Valley, Henschke in Eden Valley, Rockford in the Barossa, Yarra Yering in the Yarra Valley, Bests in Great Western and Castagna in Beechworth held their nerve and their long term vision of quality. Today these wines are rightly counted among the preeminent expressions of Shiraz in Australia where others have fallen away.

And as it always does, the pendulum of fashion swings, and wine producers such as Sami-Odi champion newer expressions of shiraz that focus on structure, restrained fruit, acid and expression of site, rather than homogenised wines with high alcohol, overripe fruit and smoky vanillin oak.

Half a world away, the Syrah based wines of the Northern Rhone are also Shiraz, but not as Australian palates know it. The terraces of the Rhone Valley were first carved out of the steep cliffs by Roman slaves two thousand years ago. In doing so, they literally created sites such as Côte-Rôtie, Saint-Joseph and Hermitage. The expression of these sites is one of cool climate and fruit from marginal sites, creating complex wines, forged in the baking sun of Southern France by day and cooled by the Mistral at night. These terraces are now home to the wines of the stalwarts and legendary producers of the region such as Guigal, JL Chave, Jaboulet and Rene Rostaing.

Imagine if, through some slip of time, those Protestant Silesian vine planters of 1850s Barossa Valley were able to perceive the consequence of their work and the reverence that has been bestowed on their life's work, they would be scarcely able to comprehend their legacy.

This section of our wine list aims to showcase the status that Shiraz commands in Australia while still acknowledging the influence of old-world wine. We offer to you the opportunity to sample the fruits of foresight, stewardship and patience.

SWEET WINES

NOT JUST FOR SWEETS

Sweet wines have an identity crisis. There's a generational gap where the memories of 2L flagons of Australian made 'Sauternes' or 'Cream Sherry' have tainted our association with these styles (despite these wines of old being a far cry from their quality genuine counterparts). And then, when we do drink sweeter wines it's usually as a dessert course, doubling down with sweet on sweets, limiting enjoyment to those with a dedicated sweet tooth.

Outside of a devoted few waving the flag, these wine styles have moved to the background of popular wine culture. To our collective loss.

Great food pairings come from contrast. Rich powerful flavours, including chilli heat and strong spices are perfectly tempered by some sweetness in a drink. In fact, you're already matching savoury food with sweet drinks. Think on what you drink when you're not having alcohol. Invariably we drink soft drinks, juices or mocktails, all of which are sweet. It's just wine itself where a mental roadblock exists.

Fashions ebb and flow, quality producers stick to what they do best and continue to make world class sweet wines which we are proud to offer to you.

The wines featured on the following pages all have a range of residual sugar, created from a range of winemaking techniques. Arresting fermentation early, embracing the 'noble rot' of Botrytis, fortification with spirits or picking grapes with so much natural sugar that the yeast cannot consume all on offer. All are delicious and offer as much range and depth of flavour as their dry wine counterparts.

And yes, if you're a sweet tooth and want to double down with your dessert, please do!

SEPPELTSFIELD

GRAND TAWNY

The vision of the Seppelt family forms the first link in the oldest unbroken chain of wines in the world spanning three centuries. It is our privilege to offer a selection of the Seppeltsfield Para Liqueur wines from culturally significant vintages in Australian history.

1895	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	4,500
<i>In 1895, the year this wine was made, Queen Victoria signed a bill that gave equal rights to South Australian women at the ballot box. This universal suffrage meant that for the first time anywhere in the world women in this jurisdiction could vote as equals to men and stand for election.</i>				
1901	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	3,750
<i>Australian Federation. The States come together to form our commonwealth, Edmund Barton becomes our first Prime Minister and our nation takes its first steps as a nation in its own right.</i>				
1921	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	2,200
<i>Australia elects the first female federal parliamentarian in the Westminster system, Edith Cowan. This is also the vintage of the first Australian wine to be awarded 100 points by Robert Parker Jr, the worlds most influential wine critic of his time.</i>				
1923	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	2,200
<i>This is the current centennial iteration of this wine. This wine represents the ongoing commitment of the current custodians of Seppeltsfield to maintain the legacy of the Seppelt family.</i>				
1945	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	1,500
<i>Victory over Japan in the Pacific marks the end of WWII. For Australia, this ushers in a new era of abundance, industrialisation, and independence from Great Britain.</i>				
1983	Seppeltsfield Para Vintage Tawny	GSM	Barossa Valley, SA	1,500
<i>A year of tragedy and triumph for Australia. The Ash Wednesday bushfires claimed lives and destroyed property at Mt Lofty in the Adelaide Hills. A last-minute wind change spared the town of Crafers, the home of our eponymous hotel. Later that year, in Newport Rhode Island, Australia II with its winged keel stole the America's Cup in a moment of national glory!</i>
